Dear Graham

I was very pleased to attend the Re-dedication of the Holy Trinity War Memorial on Sunday 13th September 2015, and in particular to be asked to lay a wreath.

May I thank the Trowbridge White Ensign Association for their work in organising the whole event; please pass on my congratulations to James Long, who did a very professional job in bringing the war memorial back to something to be very proud of – it certainly is a sight to behold.

Many congratulations!

Yours sincerely

Councillor Roger Andrews
Mayor
